LIABILITY RELEASE

1. _____ (Releasing Party) is contracting with Utah Helicopter, LLC (UHLLC) for flight training. UHLLC has only agreed to provide said flight training in consideration for, among other things, this release. But for this release, UHLLC would not provide its services under the contract between the parties.
2. Releasing Party understands and acknowledges that the services provided by UHLLC are in an inherently dangerous industry, involving complicated equipment, weather conditions and many other components that make flight training inherently dangerous and potentially deadly. The Releasing Party assumes the risk inherent with flight training.
3. Releasing Party also releases UHLLC, its employees, agents, management, the owners and their heirs, successors and/or assignees, partners, agents, subsidiaries or related entities from any and all liability associated with the flight training that is the subject of the contract between Releasing Party and UHLLC, except for intentional acts of any of the released parties. Releasing Party hereby waives this liability.
4. In all cases, Releasing Party releases UHLLC, its employees, agents, management and owners, their heirs, successors and/or assignees, partners, agents, subsidiaries, or related entities from any liability for punitive damages, consequential damages, loss of income, lost profits and other similar forms of damages. Releasing Party hereby waives this liability.
5. This release is binding on the Releasing Party's heirs, representatives and executors.
6. This release cannot be verbally modified. Any modifications to this release must be in writing and signed by both UHLLC and the Releasing Party.
