Below is some information concerning Summer Programs available at the Academies.

Juniors who are considering competing for military academy scholarships should apply to attend an academy summer program during the summer between their junior and senior year. Dates for the academy 2013 summer programs (June and July), and links to further information, have been added to the Mississippi JROTC calendar at: <http://www.mde.k12.ms.us/jrotc/jrotc-events>

Applications to attend academy summer programs can be submitted beginning 1 Dec (USAF Academy). The application periods are:

Air Force Academy            1 Dec 2012 - 31 Jan 2013

In addition to attending the service academy summer program, attendance at Boys State or Girls State is also highly recommended during the summer between junior and senior year for academy applicants. Dates and details regarding these programs for the summer of 2013 will be promulgated when they are available. <http://www.boysandgirlsstate.org/>

The U.S. Naval Academy also offers summer STEM programs for rising 8th thru 11th grade students. Information on these programs is also included on the Mississippi JROTC calendar. Application period for these programs is 3 Jan - 15 Apr 2013. <http://www.usna.edu/admissions/stem.htm>
